FOREWORD

For Crossroads '64

You posed for Senior photos. You smiled again and again for your homeroom shots. You rushed from one club to another in order to be accounted for in all your activities. Or You brought scales, easels, tape recorders as props for your department pictures. Without You, *Crossroads '64* would have been impossible. The *Crossroads* staff aimed to catch You here in photograph and legend to tell the community and yourself, when looking at this book ten years from now, what Niskayuna was.

To each of You Niskayuna means something different. Teachers hope to prepare students in the ideals of our democratic society. The graduating class appreciates its four years which will enable it now to take advantage of all the opportunities Niskayuna gave. Although the underclassmen have a year or two or three before they graduate, they must mark this year as one of growth in both mind and body. Athletes remember the thrill of challenging games, the spectators' voices, the spirit always to win. Club members recall the parties, the work at fund-raising projects, the hours after school, all those happy times together. *Crossroads '64* was produced with You in mind. We hope you enjoy the result.

Your co-editors,

Nancy Flynn
Vicki Horwich

DEDICATION

Miss Lenore Mooney

"When are you kids going to learn your music?" "Why don't you insipid sopranos audition for the elementary choir?" Such criticisms are not meant to be harsh or loud—they merely stem from Miss Mooney's desire to make Niskayuna's choir the best. Her endless efforts are rewarded at each concert, where the audience takes warm pride in listening to the product of her talented teaching skill.

In addition to directing the High School Choir and the Junior High Chorus, teaching music classes at Van Antwerp and a theory class at the high school, Miss Mooney has energetically guided all Senior Class projects as Class Advisor. Her eager willingness to help with class projects, most of all, her warm personality, have earned our highest respect and admiration.

In appreciation of her ceaseless efforts, her sincere interest and enduring love for each of us as individuals, we, the Senior Class of Niskayuna High School, dedicate *"Crossroads '64"* to Miss Lenore Mooney.

IN MEMORIAM . . .

Friday,

November 22, 1963

. . . the loss was more than a personal one—the nation and the world lost one of its most capable and determined leaders. The light created by the energy, the faith, the devotion with which Mr. Kennedy defended freedom in its maximum hour of danger, has truly lit the world—and now that light is snuffed out forever. However, if out of his martyrdom there emerges a new national unity and strength to drive ahead and triumph over the awesome problems of today, then John Fitzgerald Kennedy shall not have died in vain.

Mr. Kennedy, in his Inaugural Address, said, "The torch has been passed on to a new generation of Americans, unwilling to witness or permit the slow undoing of those human rights to which this nation has always been committed, and to which we are committed today, at home and around the world." Soon that torch will be passed on to our generation. God help us hold it high, that its fire may truly light the world, as did John Fitzgerald Kennedy.

—from the address given by Jon Tupper, President of Student Council, at the John F. Kennedy Memorial Assembly, Nov. 27, 1963.

NISKAYUNA

IS AN

IDEAL . . .

Board of Education

Sitting: Mr. C. Kenneth Emery, Mr. Glenn Cook, Mr. Lorenz Buenning, Pres., Mrs. Edna Marwill, Mr. Edmund Tucker. *Standing:* Dr. Francis Bundy, Mr. Heinz Pfeiffer.

Dr. Rexford S. Souder, Superintendent of Schools

Administration

Few students are aware of the tasks facing the School Board. Its busy members take time from their various occupations to form school policies, provide necessary equipment, and keep Niskayuna Schools running smoothly. We owe our sincerest thanks to these citizens who devote much of their time and energy to improving our schools.

H. Edgar Pray,
Director of Educational Research

Anthony Spotaro,
Business Administrator

Stephen Israel,
Director of Personnel Services

Dear Students,

Certainly, none of us will forget the terrible event of November 22. The assassination of President Kennedy left the entire world in a state of shock.

A man who, in his short term as President, so captured the respect and admiration of the peoples of the world that all nations, save one, declared an official period of mourning will not soon be forgotten.

It is now up to the thinking citizens of the United States to see that the ideals for which President Kennedy fought—not only survive, but grow and blossom. It is up to these citizens to see that the growing climate of hate, violence, and greed that precipitated his assassination is eliminated.

Joseph H. Oakey,
Principal

Leonard Amlaw,
Assistant Principal

President Kennedy, more than any other President, appealed to the youth of the world, and we would hope that you will so dedicate and direct your lives that the good work he started will be continued. It is in you and in your peers that the direction of our civilization will be determined.

Sincerely,
Joseph H Oakey

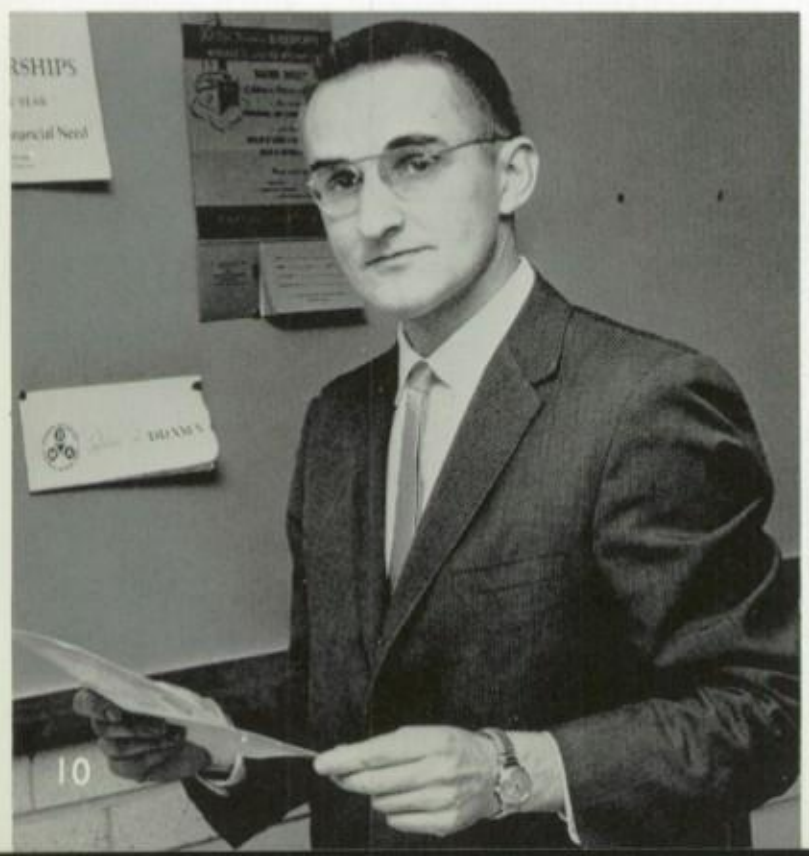
C'mon in. The door's always open with Mr. Cummings, chairman of the Guidance Department.

A friendly smile and a relaxed atmosphere . . . the office of Mr. Zola.

Guidance

The guidance staff helps students plan their schedules, proctors exams, gives advice on how to study or keep up those grades, and guides each student in deciding which vocation and college would be best. These are just some of the reasons why the guidance department is such a vital part of the school.

Mrs. Dulac helps a student adjust his schedule.



Mr. Read checks the guidance bulletin board to keep us up on the latest information.

With a twinkle in his eye, and a pencil in his hand, Mr. Edgington is ready to go to work.

Back, l. to r.: Mrs. Pray, Mrs. Vaughn, Mrs. Miner.
Front: Mrs. Harwood, Mrs. Abele. *Missing:* Mrs. Glennon.

Office Secretaries

The office secretaries answer phone calls, receive visitors, type the morning bulletins, make out passes, and sort mail as part of their daily routines. Besides these, they perform the jobs of secretaries to Mr. Oakey and Mr. Amlaw, and to all the department chairmen.

Mrs. Hyland

Guidance Secretaries

The secretaries for the Guidance office play an important role in this department. They are often interrupted from typing reports or letters in order cheerfully to make appointments or sign passes.

Mrs. Becker

History

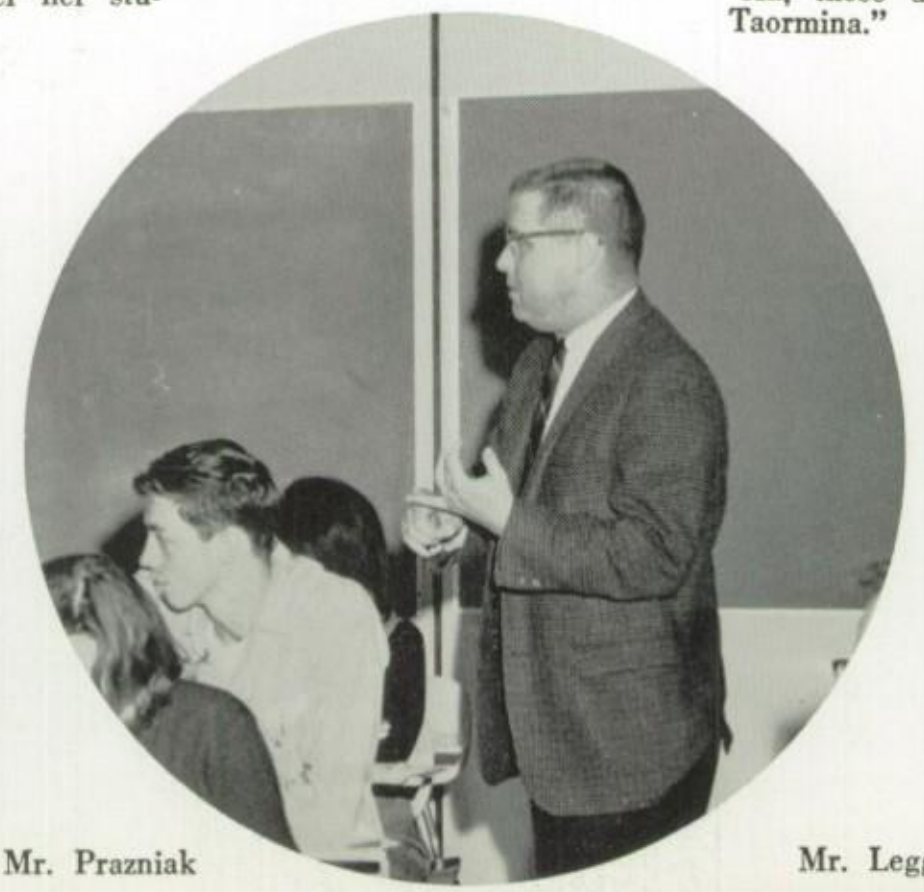
Sitting: Mr. Legg, Mr. Crotty, Miss Starratt, Mr. Prazniak, Mrs. O'Grady, Miss Saulsbury, Miss Larkin, Dept. Head. *Standing:* Mr. Shea, Mr. Taormina, Mr. Anderson.

Mrs. O'Grady grinningly watches over her students hard at work.

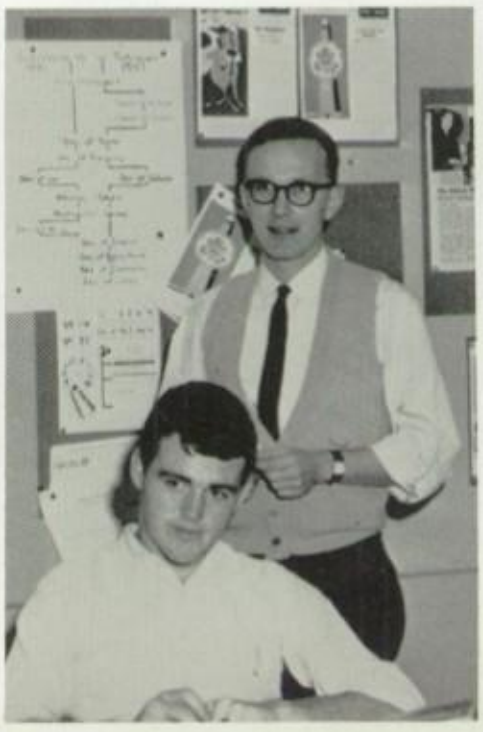
History is a jigsaw puzzle whose many pieces fit together to form a complex and never quite complete picture of the world today.

"That's a good point, Dick . . . uh, Dick . . ."

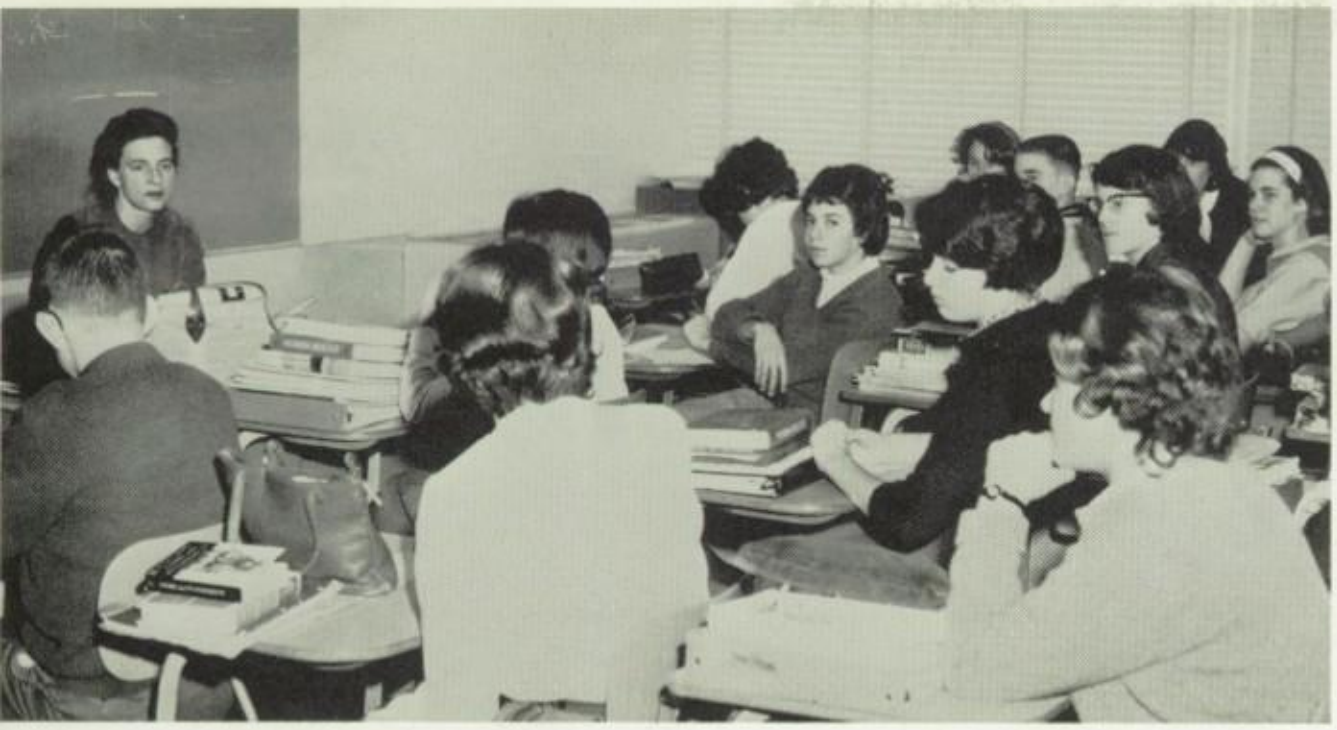
"Ah, those days of world geography with Mr. Taormina."



Mr. Prazniak



Mr. Legg



Miss Houghton in a contemplative mood.

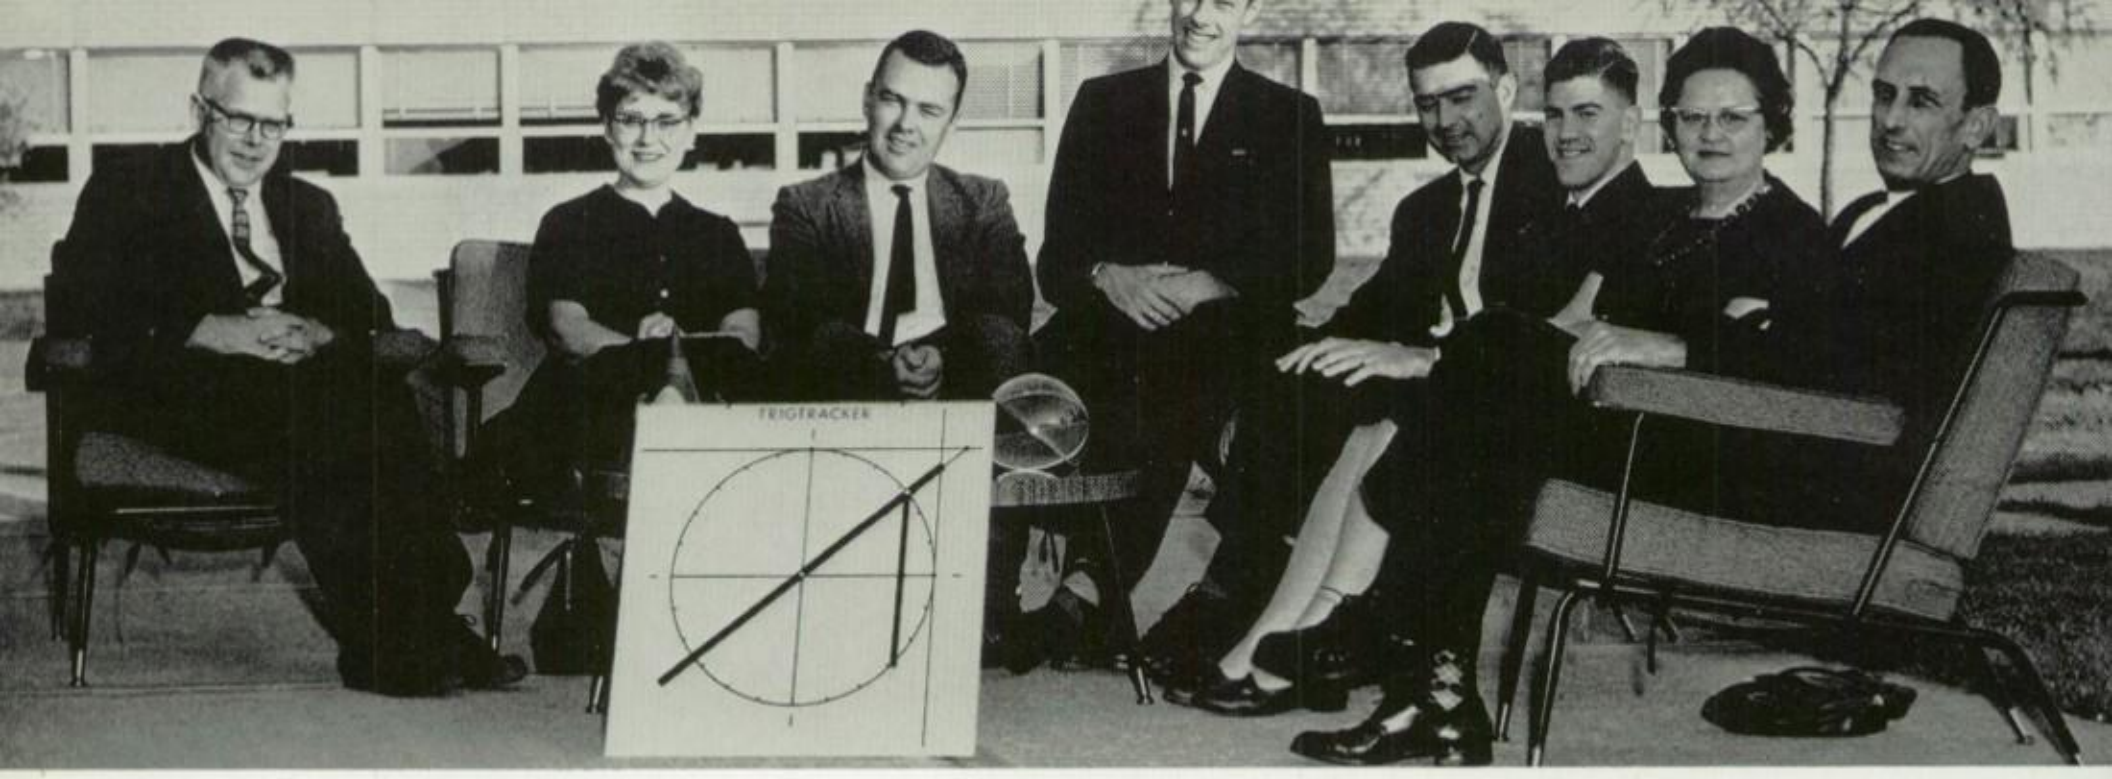
Mr. Jakeman, who also teaches drama and speech, discusses Plutarch with his class.

Mrs. Hammond, student teacher for Mrs. Johnson, conducts class.

English

English is the endless path of knowledge
that winds its way through sentence diagrams, *David Copperfield,* complex sentences, Robert Frost, and *Hamlet, Prince of Denmark.*

Sitting: Miss Ramsey, Mrs. Felthousen, Miss Houghton, Mr. Blake, Mrs. Johnson, Mrs. Russell, Mrs. Witkowski, Mr. Shipp, Mr. Hogan, Dept. Head. *Standing:* Mr. Plouffe and Mr. Jakeman.



Mr. Foster, Mrs. Sutherland, Mr. O'Connor, Mr. Fox, Mr. Walker, Mr. Lipson, Mrs. Yeater, Mr. York, Dept. Head.

Mr. Walker ponders the problems of higher mathematics.

The Mathematics Department provides students with principles that can be applied to everyday school life. Through programs of algebra, geometry, and calculus, students learn that art needs symmetry, English deals with factors, and history, unfortunately, is spherical.

Mathematics

Mrs. Yeater tries desperately to teach these students some math.

Thoughtful . . .

. . . just plain bored

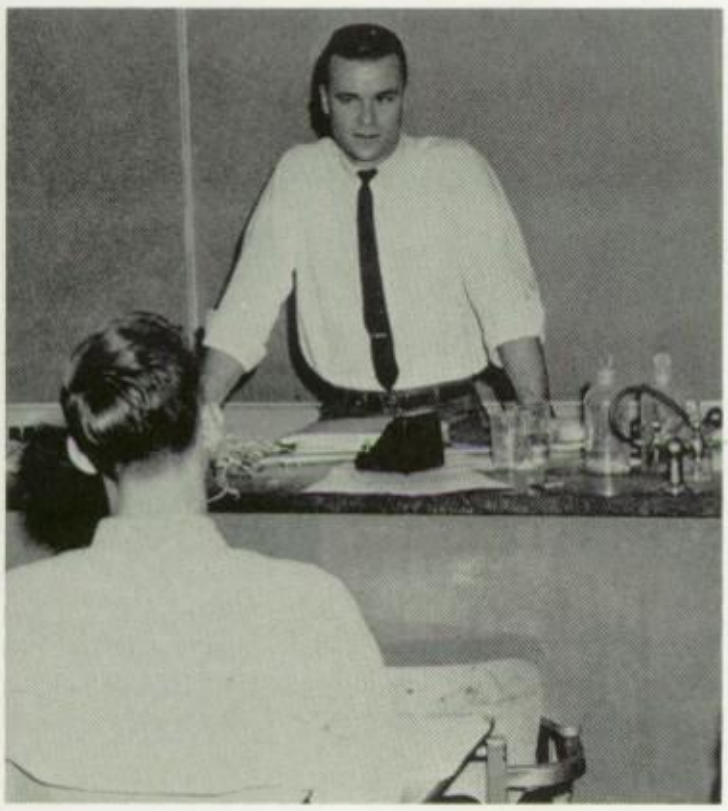
Mr. Fox and his 12H wonders.

Science

There are many questions yet to be answered about ourselves and the world around us. We study science with the hope that someday the answers may be ours.

Mr. Atherton . . . Head of our Science Department.

Mrs. Nappi and Mrs. Fraser, our Science lab assistants.



Physics can be fun . . . Mr. Engel style.

Mr. Platzer hands out a test to his unsuspecting students.

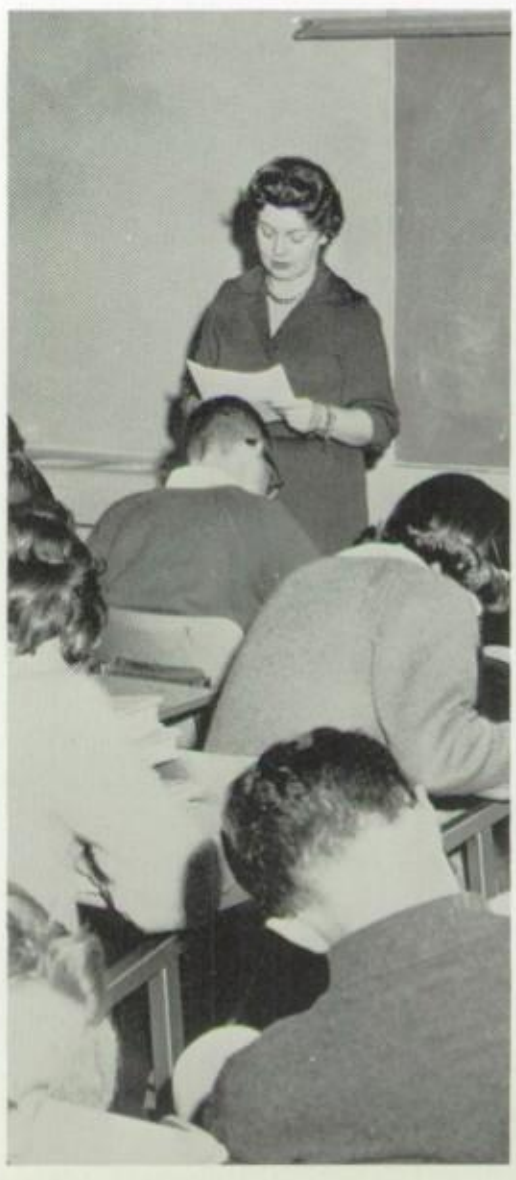
German . . . Mr. Dammer

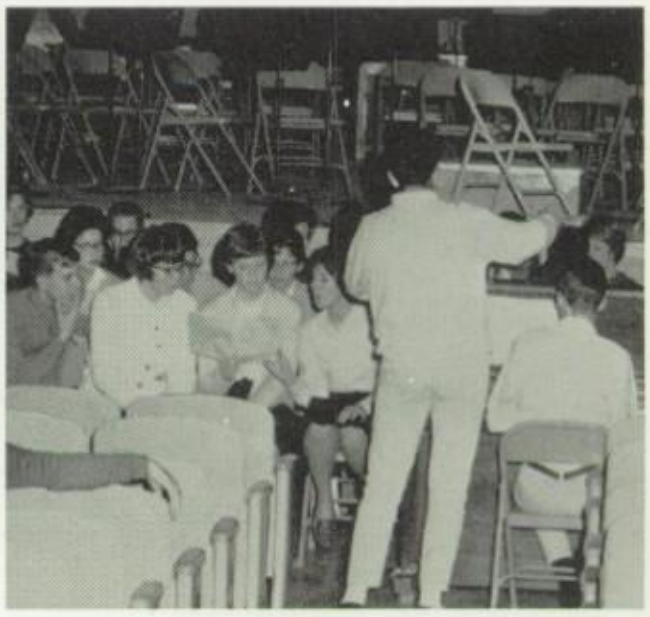
Latin . . . Miss Peterson



Music

Standing: Mr. Christianson, Mr. Weaver, Mr. Phillips, (Department Head); Mr. Schiff.
At the piano: Miss Mooney.

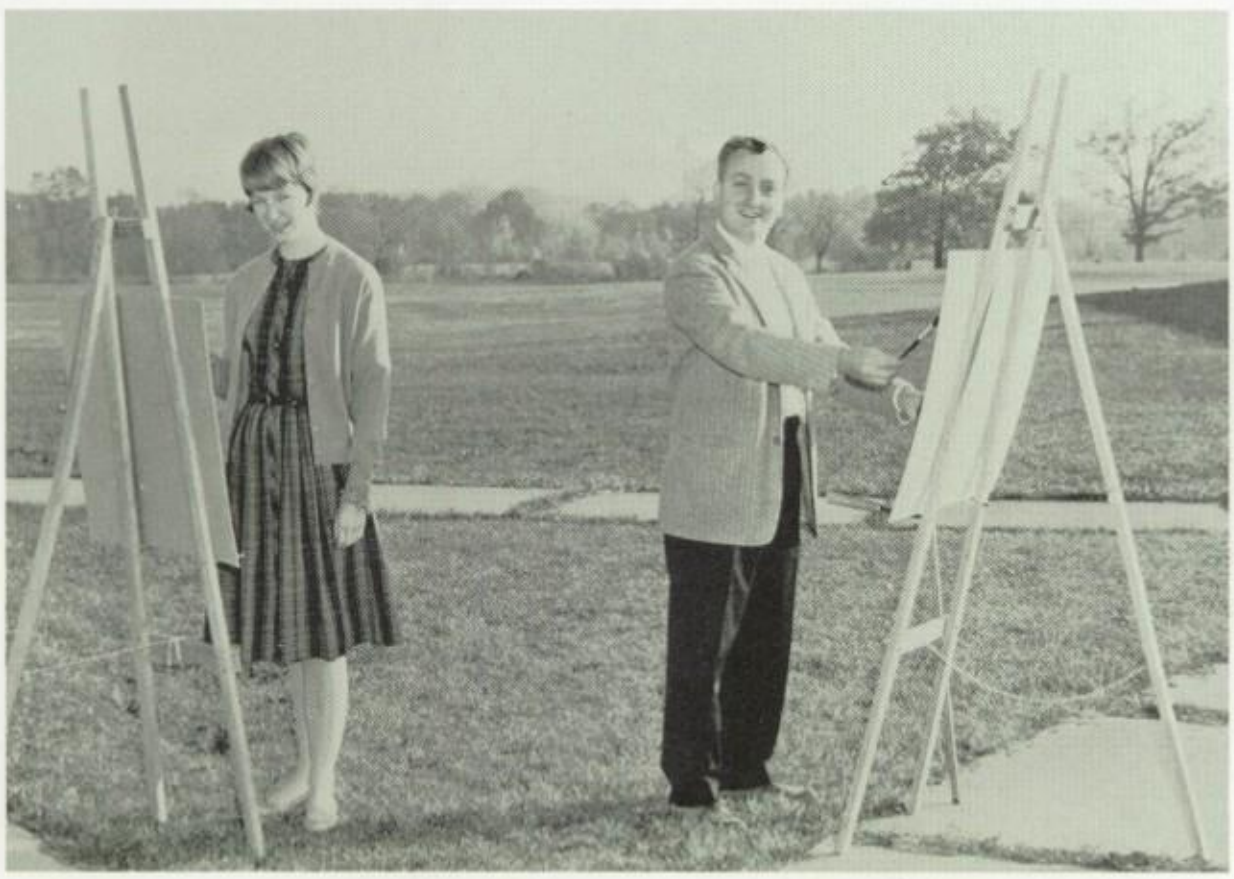
Music is relaxation or excitement for many people. It brings about moods or livens up life. Our Music Department gives students a wide variety of composers and artists—from Beethoven to The Beatles.



Students get a chance to direct different music groups during the classes.

Art

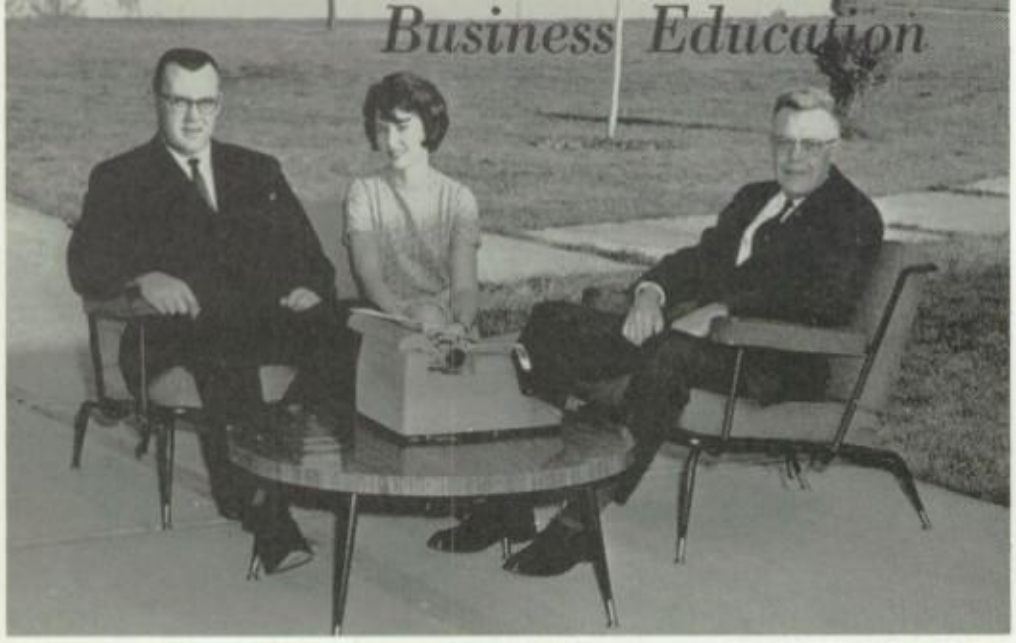
Art is the expression of emotions. Our Art Department is well equipped with supplies and instruction to suit every demand of students to express themselves.



Mrs. Schmidt, Mr. Wells (Department Head).

Making jewelry is just one of the many courses taught in arts classes.

Business Education



Mr. Carr, Miss Louprette, Mr. Cameron, Dept. Head.

Mr. Green, student teacher for Mr. Cameron.

Miss Finn and friend.

Business education is a fuller understanding of the world of business today and how it applies to our own lives.

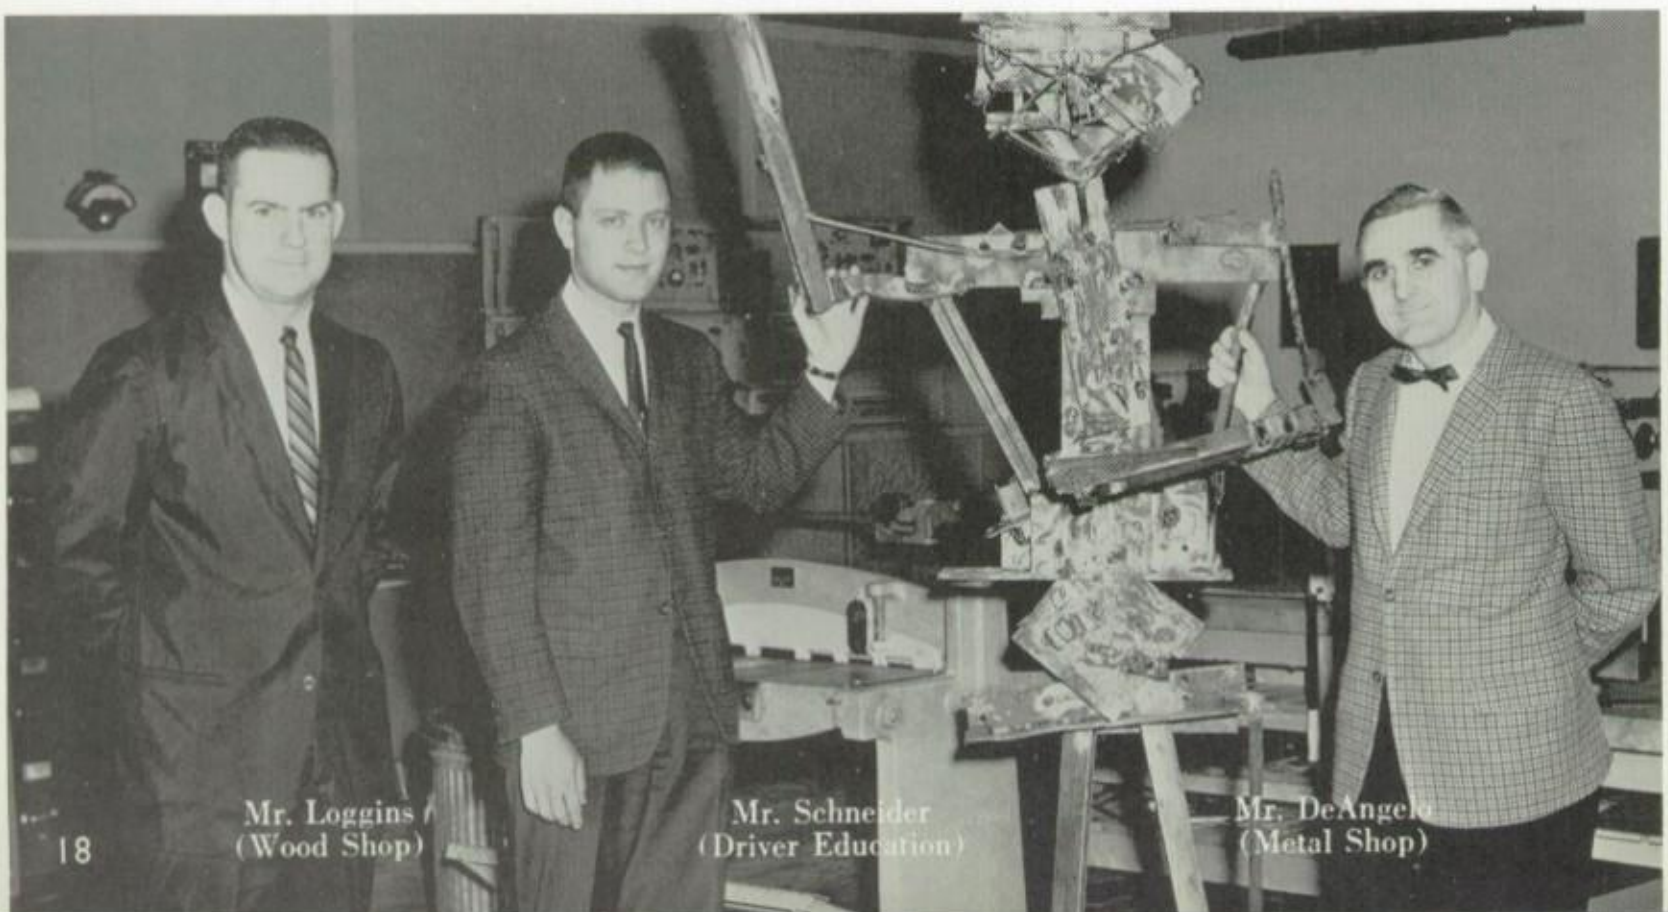
Home Economics

Miss Finn's courses from Foods to Human Relations offer to students the opportunity to explore their talents and become better persons.

Industrial Arts is a cross between science and art; it is the desire to explore and the incentive to create.

So this is where all those good smells have been coming from!

Industrial Arts



Mr. Loggins (Wood Shop)

Mr. Schneider (Driver Education)

Mr. DeAngelo (Metal Shop)

Physical Education

Physical education is the development of the body as well as the mind, the spirit as well as the body.

Mr. Prazniak, Miss Fuessler, Mr. Gifford, Miss Knapp, Mr. Boothe, Dept. Head.

Mrs. Russell,

Library Staff

The Library staff keeps busy bringing Niskayuna's book shelves up to date with the best available magazines and books and helps harassed students find material for papers due next period.

The Library is always full of students who are trying to get homework done or escape the noise of the halls.

IS

OPPORTUNITY . . .

Front, l. to r.: Mrs. Yeater (class advisor); Kathy Moravec, Secretary; Miss Mooney (class advisor).
Back, l. to r.: Dave Lewis, Treasurer; Pete Usher, Vice-President; Dave Bundy, President.

Class of '64

This wonderful class, so full of life, vitality, and spirit, will graduate in two weeks. Then, voices will sing the Alma Mater and memories will float by . . .

> the class parties with their coded invitations and maze entrances; the sock hops; the class dances; the many times together on paper drives and car washes; all those "brownie" contributions to the bake sales.

Now Seniors, upon graduation, this group will never be together as one again. Each boy and girl will take his own path towards the future.

It is the hope of the *Crossroads* staff that this yearbook will be a possession of each Senior to cherish as his very own, to symbolize all the many wonderful experiences, and to hold all the many wonderful memories of Niskayuna High School.

Senior Executive Council

The Senior Executive Council meets with the class officers to discuss various aspects of class activities. Parties, bake sales and dances are planned by the group and presented to the whole class for approval.

Front, l. to r.: Kathy Moravec, Sue Clute, Liz Gross, Linda Lamoreaux, Nancy Lumgair.
Back, l. to r.: Dave Bundy, Dave Lewis, Pete Usher, Ken Bradt, Bill Schlansker, Pete Sherman.

Remember the Spanish songs at Alvaro's Welcome Party back in September?

And our class really worked hard to raise money for the Senior Ball by collecting newspapers.

Independent Study Committee

The Independent Study Committee, more commonly known to students as the "Senior Privileges Committee," regulates the independent study given to seniors. The members meet to discuss the failures and advantages of an independent study program and must sometimes request that a student abusing "privileges" be removed for his own good.

Front, l. to r.: Allen Funk, Sue Hagadorn, Grace Clover, Steve Schoonover.
Back, l. to r.: Mr. Anderson, Mrs. Collard. *(Missing:* Miss Mooney, Larry Levine, Jim Male).

The decorations for the 1963 Junior Prom, Pink Champagne, were highlighted by a large bottle hanging from the ceiling with bubbly "champagne" pouring to a glass below.

Our Junior Class officers and their dates pose by the decorations.

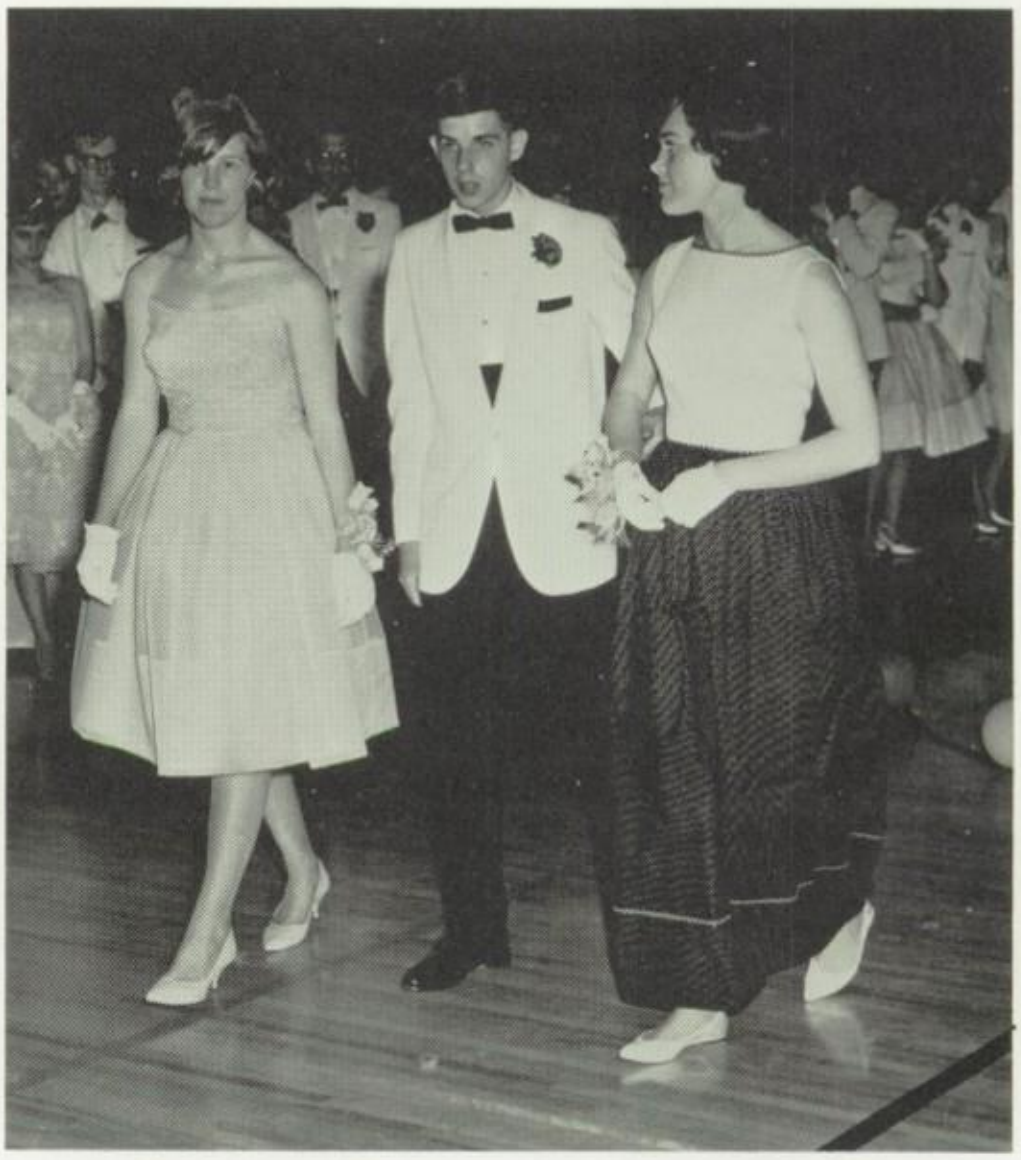
During the evening many couples found time to enjoy the refreshments provided at our Junior Prom.

Miss Mooney, our class advisor, dances with Dave Bundy, our Junior Class president.

Pink Champagne

The Junior Prom of 1963 was held in our gym. Amid murals, crepe and balloons this year's Seniors and their dates danced. Now our Prom is just a happy memory.

Dave Bundy, Doni Kwolek, Denise Munger, and Chico Serras take time out from dancing to sign up partners.



Hostess Lynn Rose and escort Greg Doin lead Barbara Elliott to the tiers for the crowning of our Junior Prom Princesses.

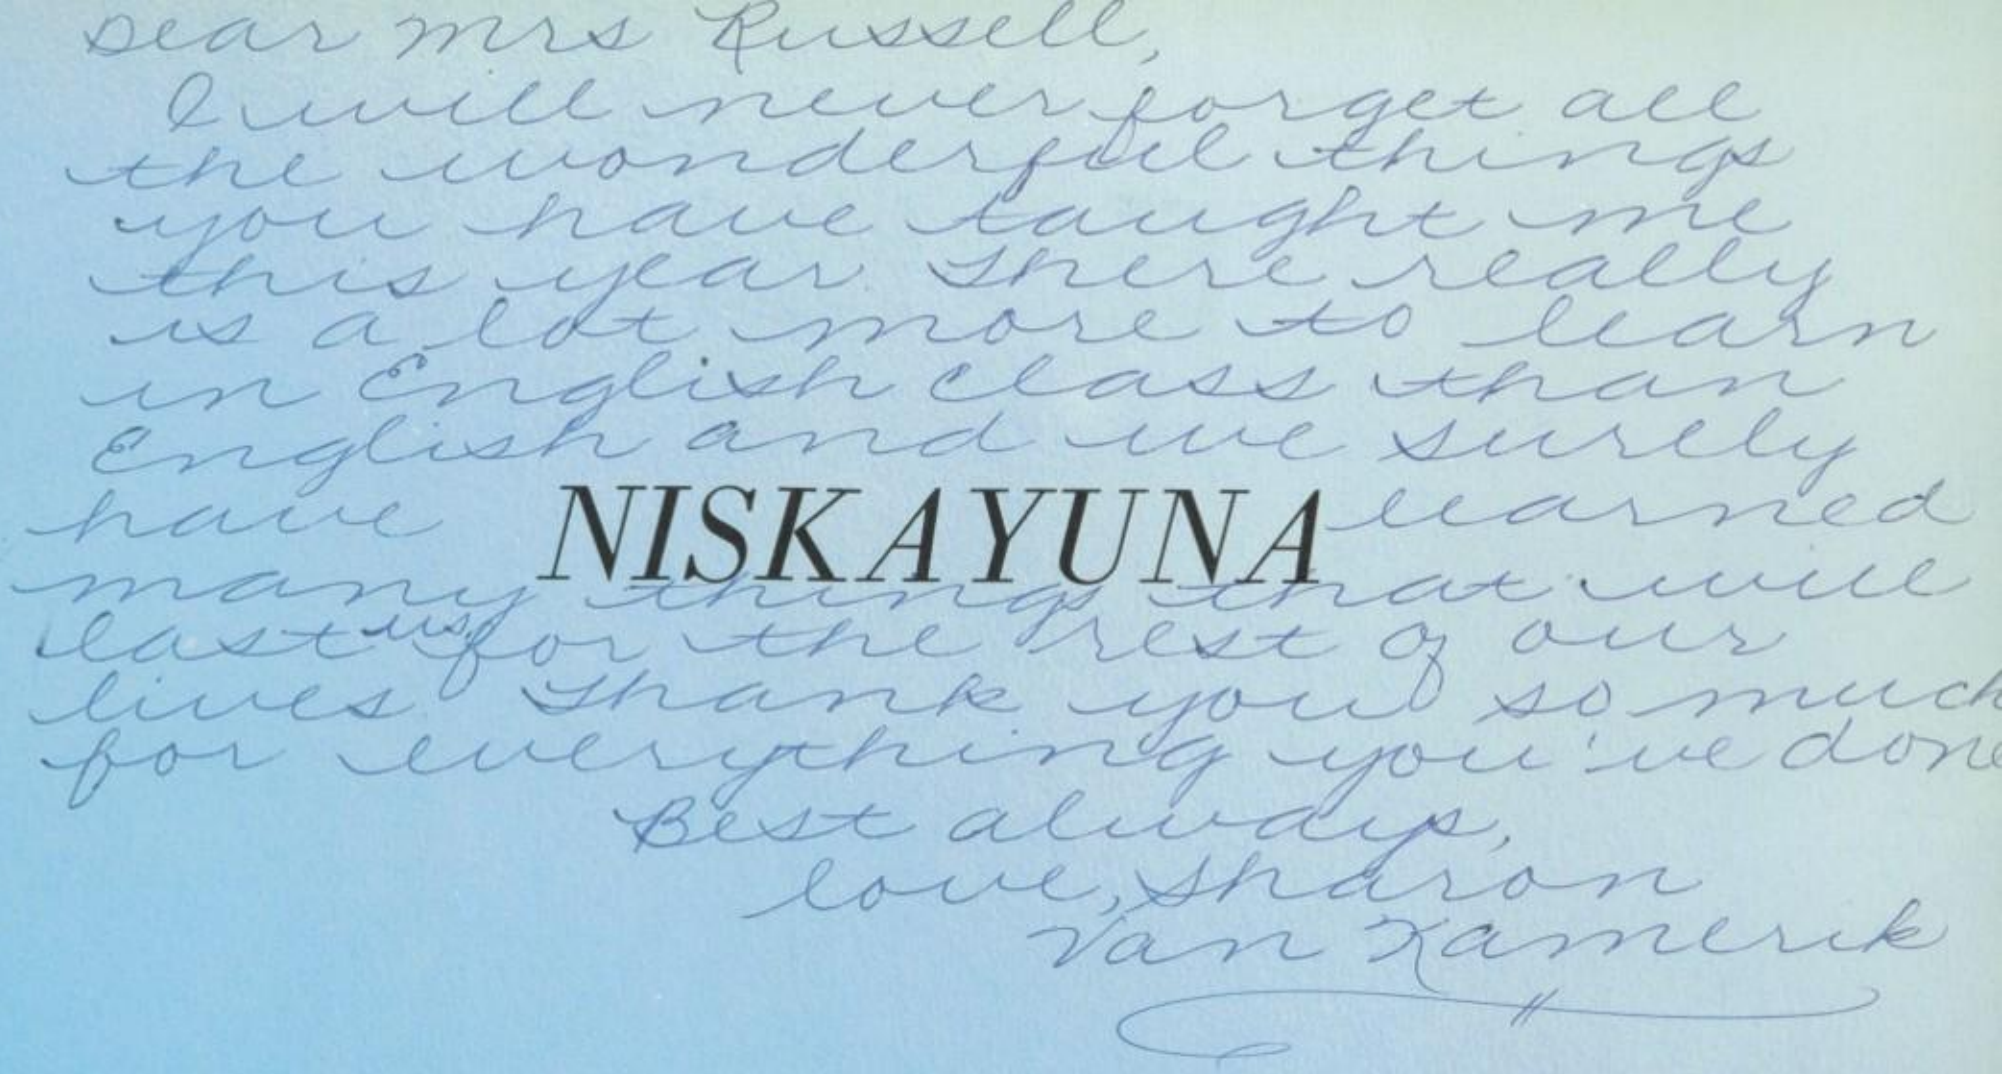
NISKAYUNA
C. Rowland



Dear Mrs Russell,
I will never forget all the wonderful things you have taught me this year. There really is a lot more to learn in English class than English and we surely have learned many things that will last us for the rest of our lives. Thank you so much for everything you've done.
Best always,
love, Shdron

GROWTH . . .

Class of '65

Sitting: Judy Fox, Secretary; Mary Lou Fang, Vice-president; Mary Connelly, Treasurer. *Standing:* Mr. Anderson, Advisor; Dave Corman, President.

During the 1963-1964 school year, the Junior Class added sparkle and zest to good old Niskayuna. The Juniors gave their talents to all activities, installing not only chiefs to advise but Indians, too, to do the work. And how did NHS get along all these years without the Junior Class directory. But certainly as outstanding was the Juniors' vitality at all those games, parties, dances. Remember the "Cut-Offs" Hop in September?

There is no doubt that the informal attitude and the get-it-done spirit of the Junior Class will provide a comfortable atmosphere for new ideas, for next year these Juniors will be Seniors.

Ros,
I hope with your illustrious assistance to make Council the best. But listen Mother! A fabulous personality and unique nature make you the epitome of Faculty Advisor.

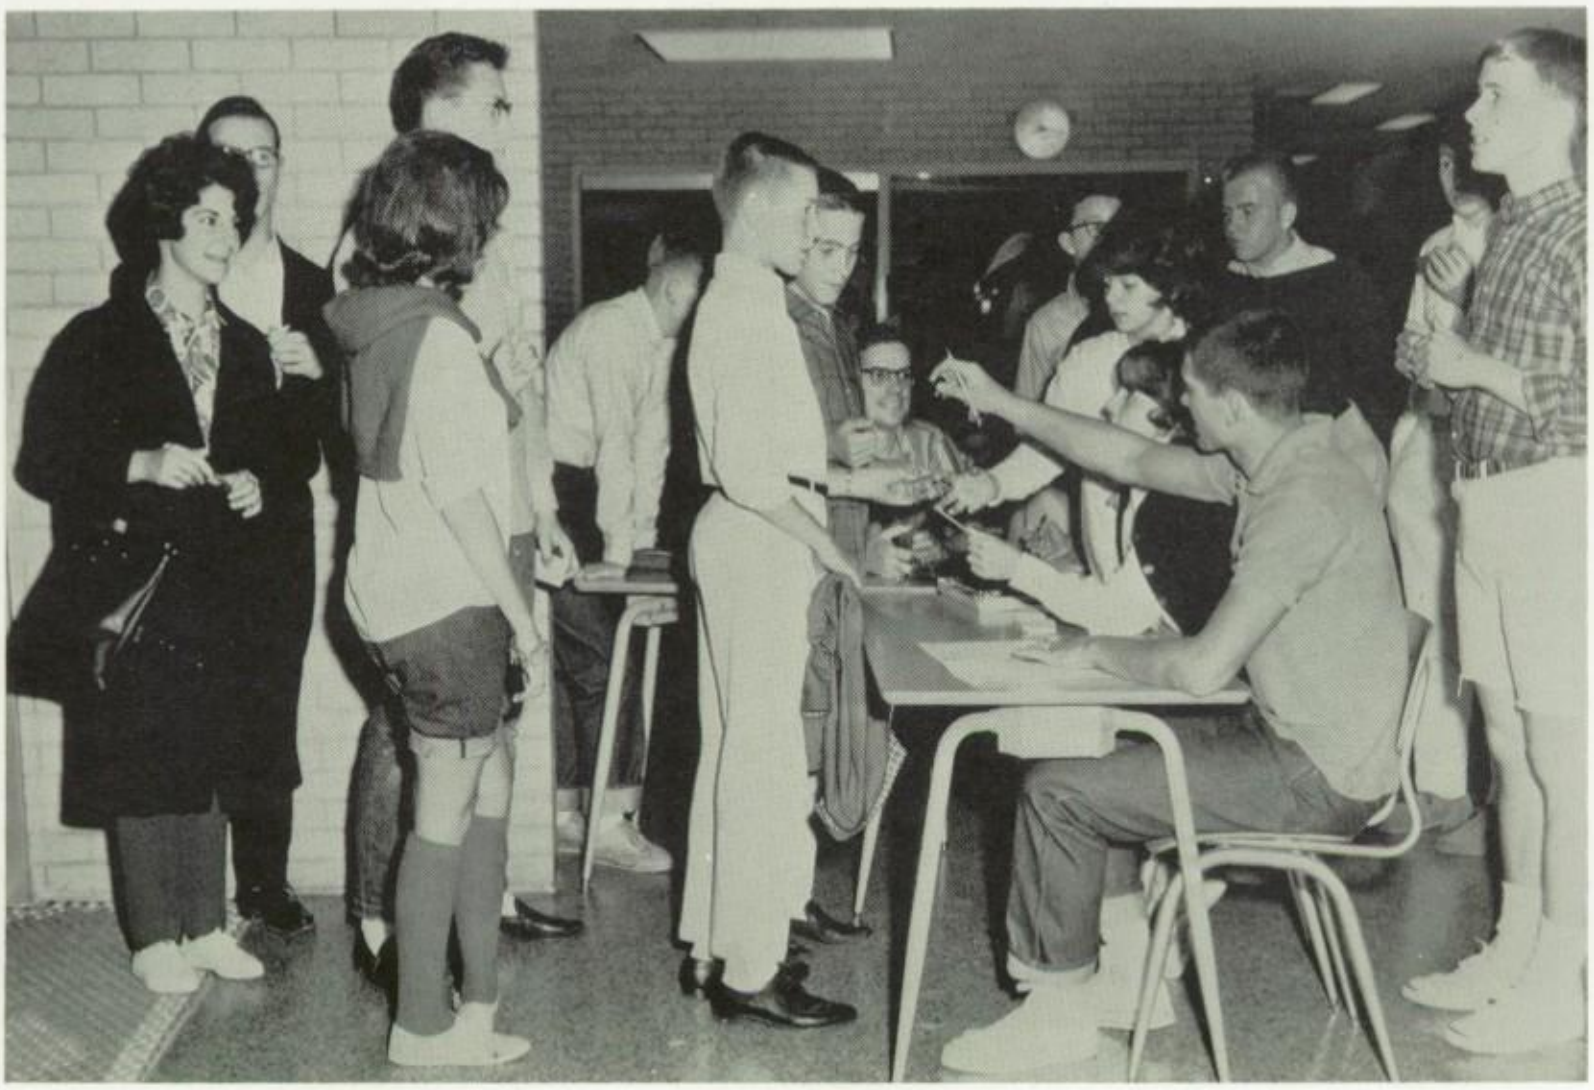
WHICH College Becomes the BIG Question

Members of the Junior Class were anxious to help their class raise money for their treasury. Here, Don Pray and Judy Fox collect money from students of other classes at a Junior sponsored dance.



Class of '66

The Officers

Sitting: Roberta Marras, Vice-President; Pat Baskous, Secretary. *Standing:* Charles Johnson, President; Gary Biazak, Treasurer; Mr. Taormina, Class Advisor.

Niskayuna was blessed with an unusually fine Sophomore Class. Sophs have thrown both minds and bodies into making our school the finest in the city. They have bolstered our teams, strengthened our clubs: the result, both our school and its students have prospered.

In an endeavor to increase class spirit, Autumn Haze, a dance held in September, was sponsored by the class. At the dance each student met new classmates and renewed old relationships with the friends each had made last year.

The Sophomores are truly growing up because of their experiences at NHS. It is assured that they will keep up their inspired work to become a great Junior Class.

Tho Combo at the Soph Class party provided great beat music and lots of laughs to brighten up the night.

Class of '67

When the students of last year's eighth grade of Van Antwerp walked through the open glass doors of Niskayuna High School no one could wait to see what the Class of '67 was like. New surroundings, a new schedule, and a whole new type of life faced them. We were amazed.

The funniest sight in the corridors was Frosh boys lugging bookbags half their size. In the cafeteria Freshman girls were heard giggling about nothing in particular and everything in general.

Ten months later, one can not help but recognize the extraordinary change that has taken place. These little people grew both in maturity as well as inches. They realized a fact the upperclassmen have already discovered. Here they are provided with the most extensive facilities, a fine faculty, and the best curriculum a high school can offer; that we have the greatest place in which to make new friends; that Niskayuna can offer a whole new future to any student who is willing to do his share.

Members of the Freshman class help out at the basketball coat check.

Coach Boothe and Don Pray discuss a play to get the game under way and Niskayuna out in front.

The coaches who gave their all for the team: Mr. Walker, Mr. Prazniak, Mr. O'Connor, Mr. Cirillo. *Standing:* Mr. Boothe (head coach).

1963

The games began this way—with the team rushing out on to the field to the cheers of hundreds of Niskayuna fans.

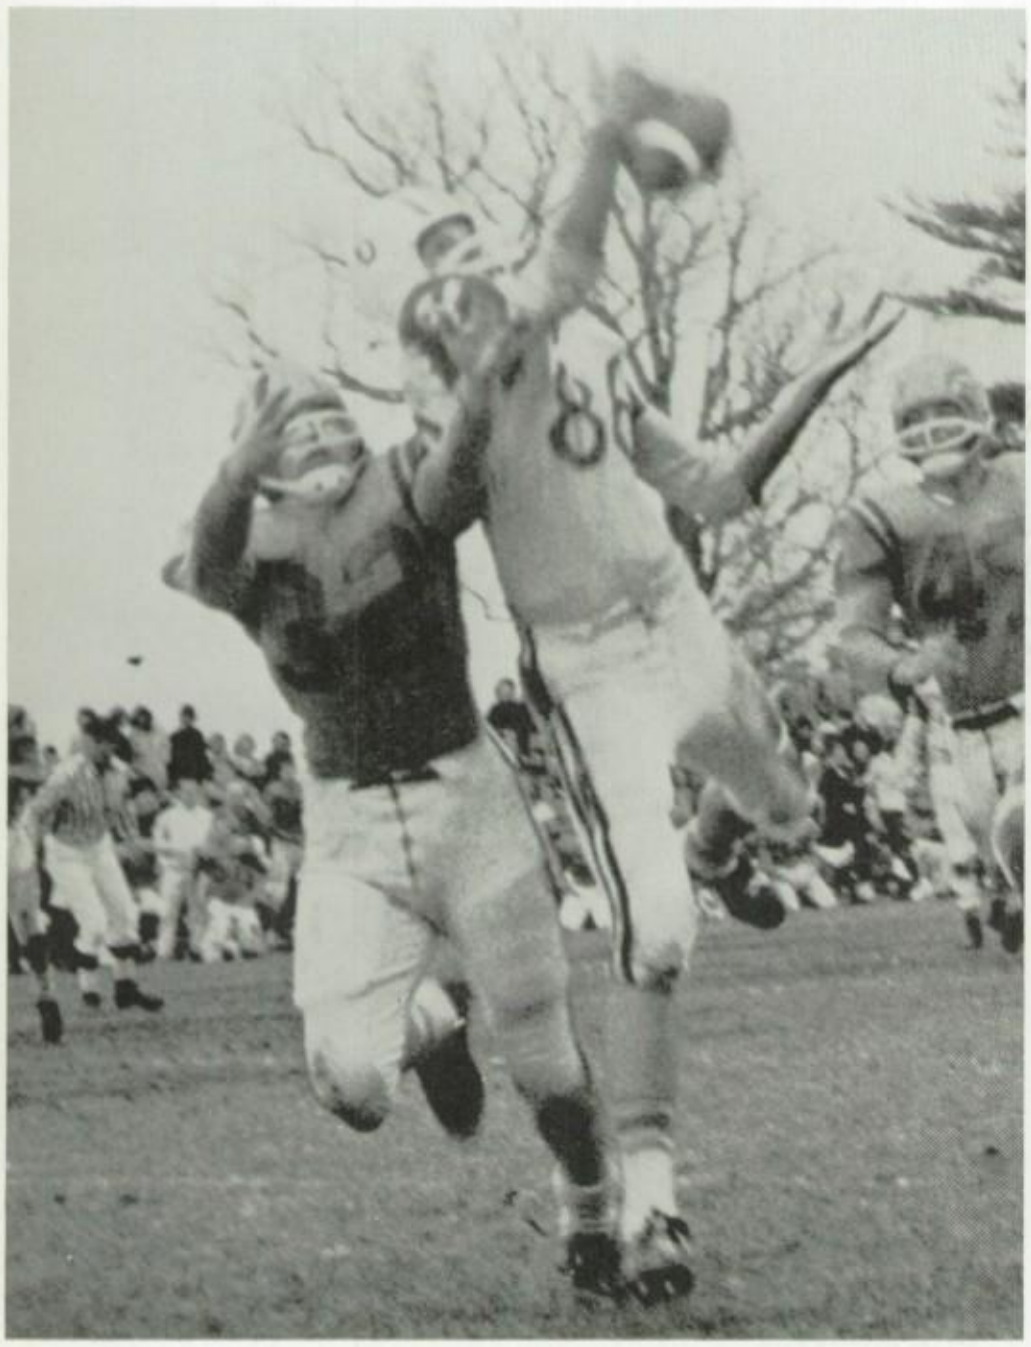
Any Niska year is a winning year, especially one with co-captains like John Grant and Dave McDowell at the helm. Agreed the record says Varsity 4-4, J.V. 4-1, Frosh 1-4, but are these the ways you measure Niska men? We'll take the drive of those linesmen, the charge of those backfielders, the heart of those quarterbacks—these we'll remember, because any year Niskayuna sends out squads who give their all, three squads who never quit, three squads with such Niska spirit—that's a great and winning year—Football 1963.

Thanks alot for a very intresting and fun year of English. Good Luck in the years to come Warren Harwick

During the games the boys not playing sit on the sidelines and shout encouragement to the boys on the field.

Number 24 waits to catch the ball and start the long hard drive for a touchdown.

Team Spirit Plus Cheering Crowds Made Every Game Exciting!



John Grant shows his personal technique of the interception—here from a Schalmont player.

Catches and near-catches added to the tension of the games and made many people hoarse from yelling.

Dave McDowell carried the ball over and over for Niskayuna and always made substantial gains. And when the other teams could get him, it took team effort to bring him down.

The sidelines

We're proud of our team. They practiced long and often, they fought hard at the games. But most of all, they played like sportsmen, enjoying the wins, determined to find out what went wrong in the losses. And always they came back to meet the next team, certain that they had the best coaches, the best team, the best cheering section.

Steve Schoonover kicks the ball high and long over the heads of the other team.

He's off and running for another touchdown for Niskayuna. Can you remember how many times we cheered as this familiar sight took place and put us in the lead?

Don Pray heads up the sidelines with the ball en route to another score.

Front: Don Halavin, Greg Doin, Mike Hogan, Don Fontaine, Doug Burnett, Jim Fox, Bob Young, George Buhrmaster, Alvaro Nino, Steve Karp.
Back: Mr. Gifford (coach), John McMullen, Paul Male, Dave Corman, Eric Yager, Bill Felthousen, Bob Buhrmaster, Bill Aubrey, Mike Smilak, Mike Fox, Dave Rockwell, Gary Edelson, Vern Hovey, Jeff Donnelly.

Jr. Varsity

Front: Dean Hall, Bill Eakert, Bernie Tryon, Bruce Brown, Doug Lee, Gary Lowen, Lars Turin, Dave Chalmers, Mike Rinella, Bill Bates, Paul Gaenger, Dave Gallagher.
Back: Mr. Dammer (coach), Dick Karp, Henry Sommers, John Weinreich, Steve Lewkowicz, Dick Bluestein, Dave Simons, Ken Carney, Bill Terry, Jim Skully, Paul VanderHorst, Jeff Neufeld, Bob Rhoades, Dick DeSantis, Roger Perry, Dan Angelo, Bob McHugh.

The '63-'64 Soccer Team, coached by Mr. Gifford, was the runner-up for the Suburban Council championship for the second consecutive year. The booters finished with a 5-5-1 record including a one point overtime loss to two year undefeated Mohonasen. Next year should prove even more successful as seven starters will return. Mr. Dammer guided the promising J.V. team to its first winning season, as the team finished with a 5-4-1 record.

Boys' Ski Team

Front, l. to r.: Pete Sherman, Tom Adinolfi.

Back: Chris Klemm, John Gatta, Jack LaRoche, Jim Lewis, John Gaynor, Jeff Sweetland, Doug Wanty, Dave Coons, Eric Jenkins, Ron Lussier, Steve Sweetland, Mr. Howley (coach).

Cross-country offers challenge to the individual—a challenge of endurance and discipline. Physically one develops stamina and strength; mentally one is constantly trying to finish well and improve. Combining both, cross-country results in a worth-while trial of the individual, a trial that is conducted to sound out skill and to witness what one can and cannot do through experience.

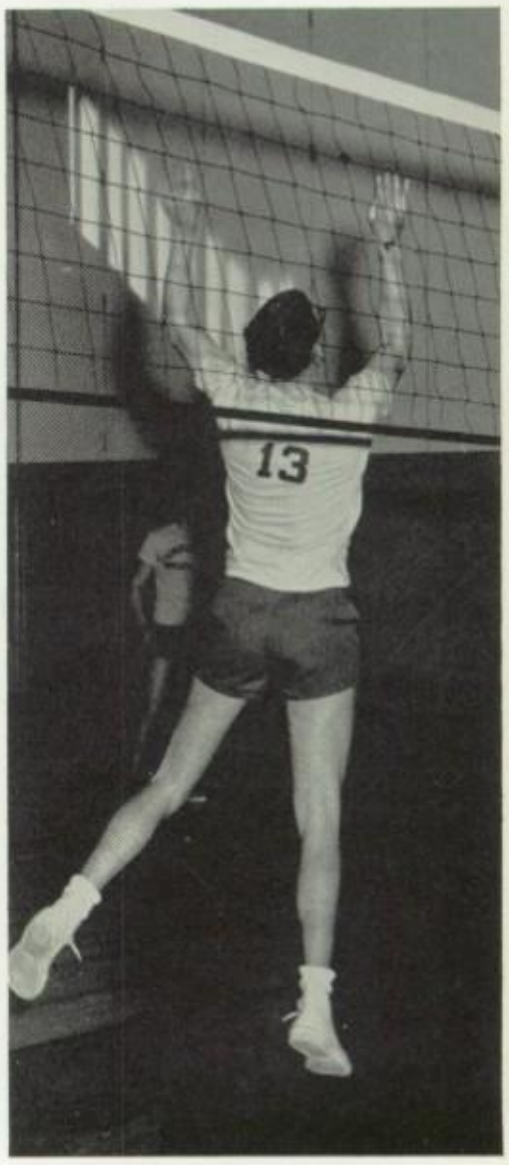
Chico Serras gets set to drive the ball back over the net.

The '64 Varsity Volleyball team could develop into one of the best teams the school has ever entered in Suburban Council competition, despite the fact that Dick Johnson is the only returnee from last year's championship first team. It is very possible that Mr. Anderson will coach the team to its fourth consecutive Council championship. The inauguration of a J.V. schedule makes it likely that the promising second team will produce another championship.



Dick Johnson jumps up for a spike.

Coaches Mr. Crotty (J.V.) and Mr. Howley (Varsity) look over the team practice sheets. Both men have teams to be proud of and both teams have coaches to be proud of, too.

Basketball

The metamorphosis from a team that first appeared to be destined to a perpetual losing season to a team that emerged victorious more times than not, probably shocked the Warrior players themselves more than anyone else. This rejuvenation is mainly attributed to the amazing offense, bold aggressiveness, spirited rebounding, steady set shooting and accurate passing of our team members.

Niskayuna's 1963-1964 basketball teams turned in a majority of victories to finish with a most successful record. Spirit! This word, more than any other, can be used to symbolize the Warrior basketball season. This year's teams' real desire to win was displayed throughout the entire season. They were teams that never gave up when the going got rough, but only became more determined. Neither did they become too self-assured when things were easier than usual. The coaches' opinions of their teams are very high. In general, their comments were similar. "In addition to ability they have the highest morals and finest personalities of any group we've coached."

Jay Sluiter, Jay Christensen and Steve Sweetland, managers of the Varsity Basketball team.

J.V. Basketball

Front: Bob Grant, Tom Bowman, Don Martin, Steve Goodman, Ron Roedel, Jim Anderson, Steve Occurt, Jeff Stall.
Back: Don Donnalley, Wick Johnson, Chris Schaefer, Fred Fowler, Marty Lafferty, Art Newkirk, Jeff Morray, Jim Fuchs (manager).

Our J.V. team sported a brilliant 12-4 record this year. Mr. Crotty had many newcomers to work in with a strong returning nucleus from last year's Frosh team. With teams like this, Niskayuna's future is bound to be great.

Frosh Basketball

The Frosh team, coached by Mr. Carr, earned a promising 10-4 record this year. The opponents of these boys never scored more than 41 points a game and usually came in with scores in the low twenties. For a first year team this strength of defense is an outstanding accomplishment.

Mr. Ciabotti, head coach of the Varsity Squad.

One of the greatest things that can ever happen to a wrestler is to improve, and that is just what happened to the John Ciabotti coached wrestling team this year. Not wanting to be "overshadowed" by the superhuman twelve who preceded them last year and who won every kind of tournament around, this year's team used up every bit of its potential and, by hard work, unloaded many surprises on the wrestling fans in this area. The team copped the Suburban Council Tournament crown for the fourth consecutive year; it took first place in the annual Quadrangular tourney; it placed second in the regular Suburban Council league competition; it received second place honors in the Class "B" Sectionals at South Glens Falls. The Niska grapplers finished the season with an overall 7-2 record in dual meet competition. Each boy should be congratulated for his fine performance in ability and desire. Special thanks goes to the coach, Mr. Ciabotti, who made all this possible.

Gym Classes

This year girls' gym classes tried something new—working on foreign athletic movements and incorporating grace in the movements. This was achieved by the use of athletic balls.

Designs and balls.

Exercises and balls.

Leaders Club

Members of Leaders Club aid gym teachers, Miss Knapp and Miss Feussler, and referee G.A.A. games. Leaders Club is a service organization of selected girls. They help the physical education department by assisting in girls' gym classes, by counting out horrid exercises and taking class attendance, and by officiating at games.

G.A.A. Executive Board

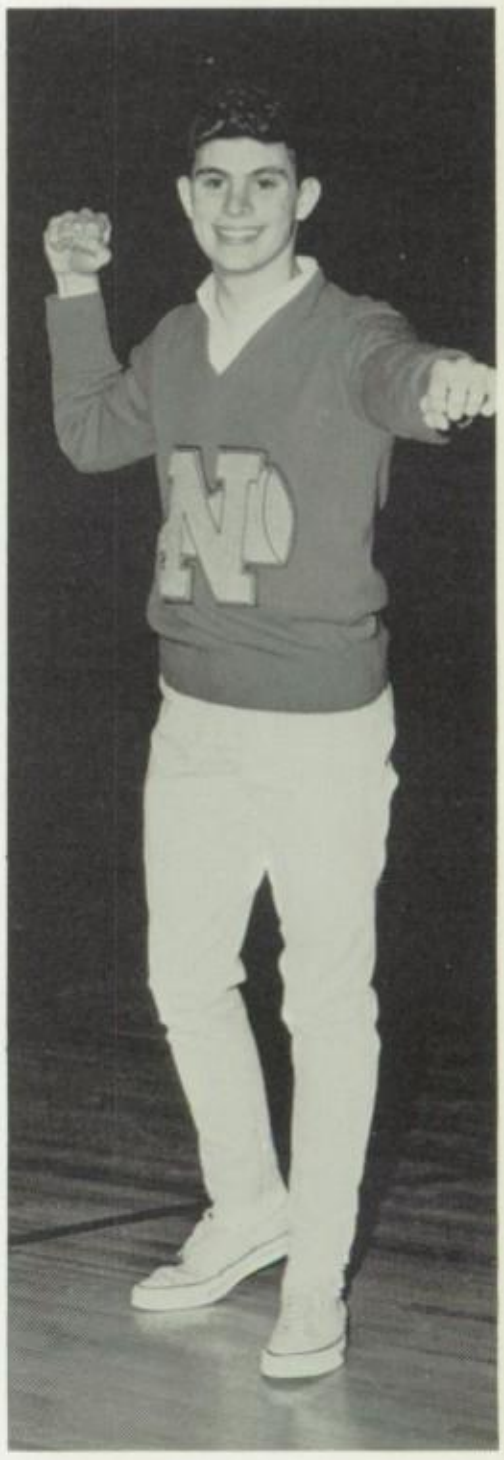
G.A.A. Executive Board regulates all girls' athletic programs after school. The board meets Mondays to discuss problems of gym classes and to plan the extracurricular inter-school activities. Girls in G.A.A. sell refreshments at football games to raise money for a gift given to the gym department at the end of the school year.

First row: Helen Gould (treasurer), Nancy Holland (vice-president), Barb Dreier (president), Kathy Woods (secretary).
Second row: Jean Trimmer, Nancy Byron, Doni Kwolek, Joan Thompson, Pam Jorgensen, Kathy Gonzenbach.
Third row: Caroline Clute, Debbie Sawyer, Denise Gemi, Grace Clover, Debbie McNab.
Fourth row: Diane Aliferis, Sarah Johnson, Lee MacWilliams, Barb Leith.

Cheerleaders

Pete Aliferis is half of our boy cheerleaders.

What is it like to be a cheerleader? Just ask one. Very likely she will tell you about the disappointment and frustration in cheering one's heart out and then losing a game by two or three points, when everyone knows our Warriors are the best. She will tell you about the agony and anticipation before cheering at her first game, the embarrassment of popping a button in her enthusiasm, of making a mistake in a cheer when perfection is called for. She will tell you about the long bus rides to an away-game on a snowy evening and the exciting dates turned down because a cheerleader just must be at games along with the teams. But if you ask her if she likes being a cheerleader, she will tell you she wouldn't give it up for the world. She will tell you about the feeling of glory after the victorious outcome of an important game and the warm feeling of having participated. She'll tell you about her pride in cheering for a team and representing a school such as ours. Maybe she will tell you the surprise and humility she felt when a player of a rival team turned to her and said very sincerely, "Nice game," after his team had lost. But one thing is certain. She will tell you what Coach Boothe said to the Varsity Cheerleaders after last fall's football game against Mohonasen: "We couldn't have won that game without you cheerleaders and the way you led the crowd. The boys out there knew you were behind them all the way." That is what keeps a cheerleader going, willing to expend every last ounce of energy in cheering the team on, in the knowledge that her support contributes to the morale and spirit of the team.



Al Kiesler rounds out the duo.

Our Junior Varsity Cheerleaders: *Front:* Ann Braidwood, Susie Arnds, Mary Lou Fang, Pam Jorgenson. *Back:* Emmy Moravec, Kathy Harber, Janie Rudisill, Debby Horn.

Pep Club

Pep Club, Niskayuna's most energetic organization, promotes school spirit at athletic events. Along with the cheerleaders, Pep Club teaches underclassmen the school songs in assemblies and leads the school cheers at the games. Hard working Al Kiesler heads the Pep Club.

American Field Service

Front: Molly Fritz, Diane Mead.
Back: Betsey Heubenthal, Bob Buhrmaster.

Niskayuna High School is privileged to be able to participate in the American Field Service Scholarship Program. This program enables American students to spend a summer, a semester, or an entire school year in a foreign country and brings foreign students to the United States for a year. The American Field Service originated during World War I as an ambulance service for wounded soldiers in France. In 1947 the exchange program which we know today began. Since then thousands of students have had the opportunity to live in and learn of a foreign land.

This year Niskayuna has two candidates for the full year program, Betsey Heubenthal and Molly Fritz; and two candidates for the summer program, Diane Mead and Bob Buhrmaster. It is by no means certain that any of these candidates will be selected, but each would be sure to represent Niskayuna well.

Niskayuna has actively supported the American Field Service. Each year fund-raising campaigns are held so that NHS can send and receive students. To send a student abroad for the summer costs about $700; for a year, the cost is about $750. This year booster buttons, AFS shares, and Christmas cards were sold. All proceeds from the annual Carnival are given to the AFS fund of our school.

Alvaro and an American friend

Dear American Friends,

I have the great honor to say a few words to you in this book.

The first thing I want to say is "thank you" to all of you and each one in particular for this fabulous and unforgettable year that you made possible for me.

Also I want to thank the American Field Service and specially you who are helping it.

I'm sorry to say that this year went too fast; however, I was able to learn much of your way of life.

Very soon I will return to Colombia but I am not going alone. I will take in my heart with me the memory of all those days I was living in our beloved Niskayuna High School because, after the Ryans, the school was my second home here in the United States.

Sincerely yours,
Alvaro

Ineke had no bad words about American food at all.

Niskayuna Friends,

I'm very glad to have the opportunity through this yearbook to thank all the students, teachers, and administration of Niskayuna, particularly the senior class of '64.

I feel privileged to have been able to live for a year with the American youth of today, who will be responsible for the future of a great and important country in our world. So I got—as my father said—a better understanding of the "world language." By comparing your and our way of life, your and our school system, I learned a lot and found advantages on both sides.

Also I would like to thank the Niskayuna Rotary Club for its wonderful hospitality. It is by this world organization that I was able to spend a year in the U.S.

This year has been one of the nicest experiences in my life so far. It is not very far yet, which is rather nice of course. And if I ever have the chance in the future to visit the U.S. again, I am sure I like to come.

Sincerely,
Ineke

Larry's Italian family—the Mazzolenis

Snow in July—the Alps

Cari amici,

The Alps, lasagna, DaVinci, the leaning tower, the Mediterranean—all seemed like a far-off dream only a year ago. Yet, thanks to Niskayuna and AFS, each was part of my summer in Italy, the most wonderful experience anyone could ever imagine. Every moment of my trip was unforgettable—from the first step I took onto the M/S Seven Seas in New York harbor until I was finished with my trip. The all-night train ride from Rotterdam, The Netherlands, to Milano; my introduction to my first Italian family; my struggle with a beautiful, but altogether strange language; my rides on the back of the family Vespa. There were my sightseeing trips to Pisa, Florence, and the Mediterranean coast; a week in the Alps, (did you ever mountain climb in the rain and enjoy a snowball fight in July?).

The day I changed families started with a sad farewell to my family *Mazzoleni* in Muggio and ended with a warm welcome by my family *Nones* in Trento. There, by the lakes I tried (but not too hard) to keep from staring at the beautiful girls in those wonderful bikinis and I watched what was probably one of the pioneer games of American football. I took a side trip of four tremendous days to Germany; to Venice and its gondolas. My trip surpassed my most optimistic dreams.

An AFS summer is so much more than mountains, food, buildings, and natural beauty. I proved to myself that, despite differences in language, customs, food, and outward appearances, people everywhere are really the same—searching for happiness, security and peace. The AFS motto is so true: "Walk together, talk together, oh ye people of the earth; then, and only then, shall ye have Peace."

Mrs. Russell - I enjoyed being in your first period English class very much. If there is a chance of me being in one of your classes next year, I hope it goes through. I certainly will visit you this summer. It ought to be fun. Thank you for being so tolerant with me this year, I didn't deserve it. See you this summer.

We would like to give special thanks to our advisor, Mr. John Plouffe, and Mr. James Gerding, our Taylor Representative, for their work and patience in helping us produce the book You now hold.

Above, below: Wrapping presents for the orphanage

German Club

Our German Club, "Deutsch-Verein," promotes an interest in the study of German and German speaking countries throughout the world. Members see newsreels and filmstrips on Germany, participate in social games such as *Skat* and *Mensch Argere Dich Nicht!*, and meet with German Clubs of other area high schools.

Dear Mrs. Buennecke! Glad you have had more fun and learned more in English than any other year or for that matter any 2 years. Good luck. Dave

Each year the Cercle sends gift packages to an orphanage in Avernes, France, and corresponds with the older children there. French Club members obtain pen-pals through the club. The Cercle Français brings France to Niskayuna students.

This year's officers are: Lois Van Hoesen, president; Nancy Flynn, vice-president; Andrea Bridge, secretary; Anne Cermak, corresponding secretary; Nancy Jo Johnson, treasurer; June Bonner, publicity.

Future Nurses Of America

Members of Future Nurses meet together to explore the opportunities and requirements of the nursing field. The members participate in bake sales, service projects for nursing homes, and a career day with another school in the area. At the end of the year the club members take a trip to a large hospital in one of the major cities in New York or the surrounding states.

Second row: Debbie Buckbee, Patty Alesio, Barbara Metcalf, Mary Souder, Marija Vaivads, Sue Neufeld, Linda Bankowski, Louise Jones.

Model U.N.

Model U.N. gives students of area schools an opportunity to learn the purposes, functions, and activities of the United Nations in New York City by holding their own General Assembly meetings. Activities of this large organization include a trip to the real U.N., a three day General Assembly in May, and meetings throughout the year with speakers from the U.N.

To the right is Connie Daily, secretary-general; Pete Pashler, vice-president for Niskayuna Model U.N., and Bill Schlansker, president. Seated is Miss Larkin, Niskayuna's advisor.

On February 6 at the Scotia-Glenville High School Auditorium a General Assembly was called. The purpose was to choose the agenda for the May meeting. After many proposals and much discussion and voting, the topics colonialism, apartheid, and admission of the People's Republic of China were agreed upon.

Amateur Radio Club

The boys in Amateur Radio Club are well equipped to carry on conversations with other area high schools over short wave radio sets. Most of the boys have their own radio sets, and our school set is licensed to operate over radio frequencies. The club is headed by John Mangan. Other officers are Seldon Crary, George Mullin, and Dave Danforth.

Math Club

Members of Math Club explore mathematics beyond the realm of the classroom. Its newsletter, speakers and movies explain topics more clearly. This year it is led by Virginia Branch (president), Henry Sommer (vice-president), Mark Pozefsky, (secretary), and Frank Landis (editor of the newsletter).

Audio-Visual Club

Audio-Visual Club trains members in the proper operation, maintenance, and safe handling of all audio-visual equipment. A technical tour of the WRGB-WGY-WGFM studios highlights their training. This year's officers are Bruce Phillips (president), Robert Herrick (vice-president), and Peter Mitchell (secretary-treasurer).

Photography Club

Members of Photography Club learn how to take interesting pictures with the right conditions and backgrounds. Such important facts as shutter settings, lighting, proper angles and problem shots are discussed.

Back, l. to r.: Gail Kingsbury, Harriann Folino, Susie Johnson, Pat Carvell, Pat Druzba, Nancy Lawya, Philomena Serafini.

School Store

Pat Carvell, Kathy Carson, Ginny Beck, Barb Wielt, Judy Kent

The School Store provides the student body with innumerable articles needed in the classroom: paper, pencils, pens, notebooks, review books, etc. Business majors operate the store and gain experience in business transactions. Mr. Carr is the faculty advisor.

Ski Club

Every Saturday during the winter months our Ski Club leaves the high school at 6 A.M. for a day of skiing at a nearby ski resort. Turnouts of over 150 people per trip make the early hours, cold days, and long rides unforgettable and worthwhile. To the left is Nancy Holland, secretary; Joel Lindy, treasurer; Doug Eagen, vice-president; John McMullen, president.

Sailing Club

Just formed last summer, the Sailing Club has grown very quickly. Its members sail at the slightest puff of wind at the Saratoga Yacht Club. Sailing Club members learn not only how to sail but how to have fun while sailing. Activities include guest speakers and fund raising projects. The winter months saw members working at bake sales and sponsoring a variety show, all to raise money for the club members' dream—a club sailboat. This year the club's officers are Peter Smith, commodore; Diane Harwood, vice-commodore; Barb Leith, secretary; and Mary Clarkson, treasurer.

Committee Of Thirteen

Headed by Mr. Oakey, the Committee of Thirteen works to promote better relationships between teachers and students. The committee discusses areas of dissatisfaction among students and tries to settle these problems before they have a chance to appear openly.

Key Club

Key Club members serve our school and our community. The club sells refreshments at basketball games to support its scholarship. It aids the Kiwanis Club activities through participation in travelogues, dedication of a day for the visually handicapped, and production of a program for the Mentally Retarded Institute of Schenectady.

Red Cross

Sidney Landon and Ann Mehringer headed the Junior Red Cross at NHS this year. The club is working on scrap books and supplying a medicine chest with needed materials. Representatives in each homeroom collect for the Red Cross Drive and the money is then given to the Chapter House to aid in its projects.

Honor Society

Recognition of students who have achieved high academic excellence and who possess qualities of leadership, service, and character results in membership to the National Honor Society. This year's members, under the aegis of Mrs. Johnson, participated in a College Bowl Assembly, a spring banquet, and attended the annual district meeting of National Honor Societies.

Debating Society

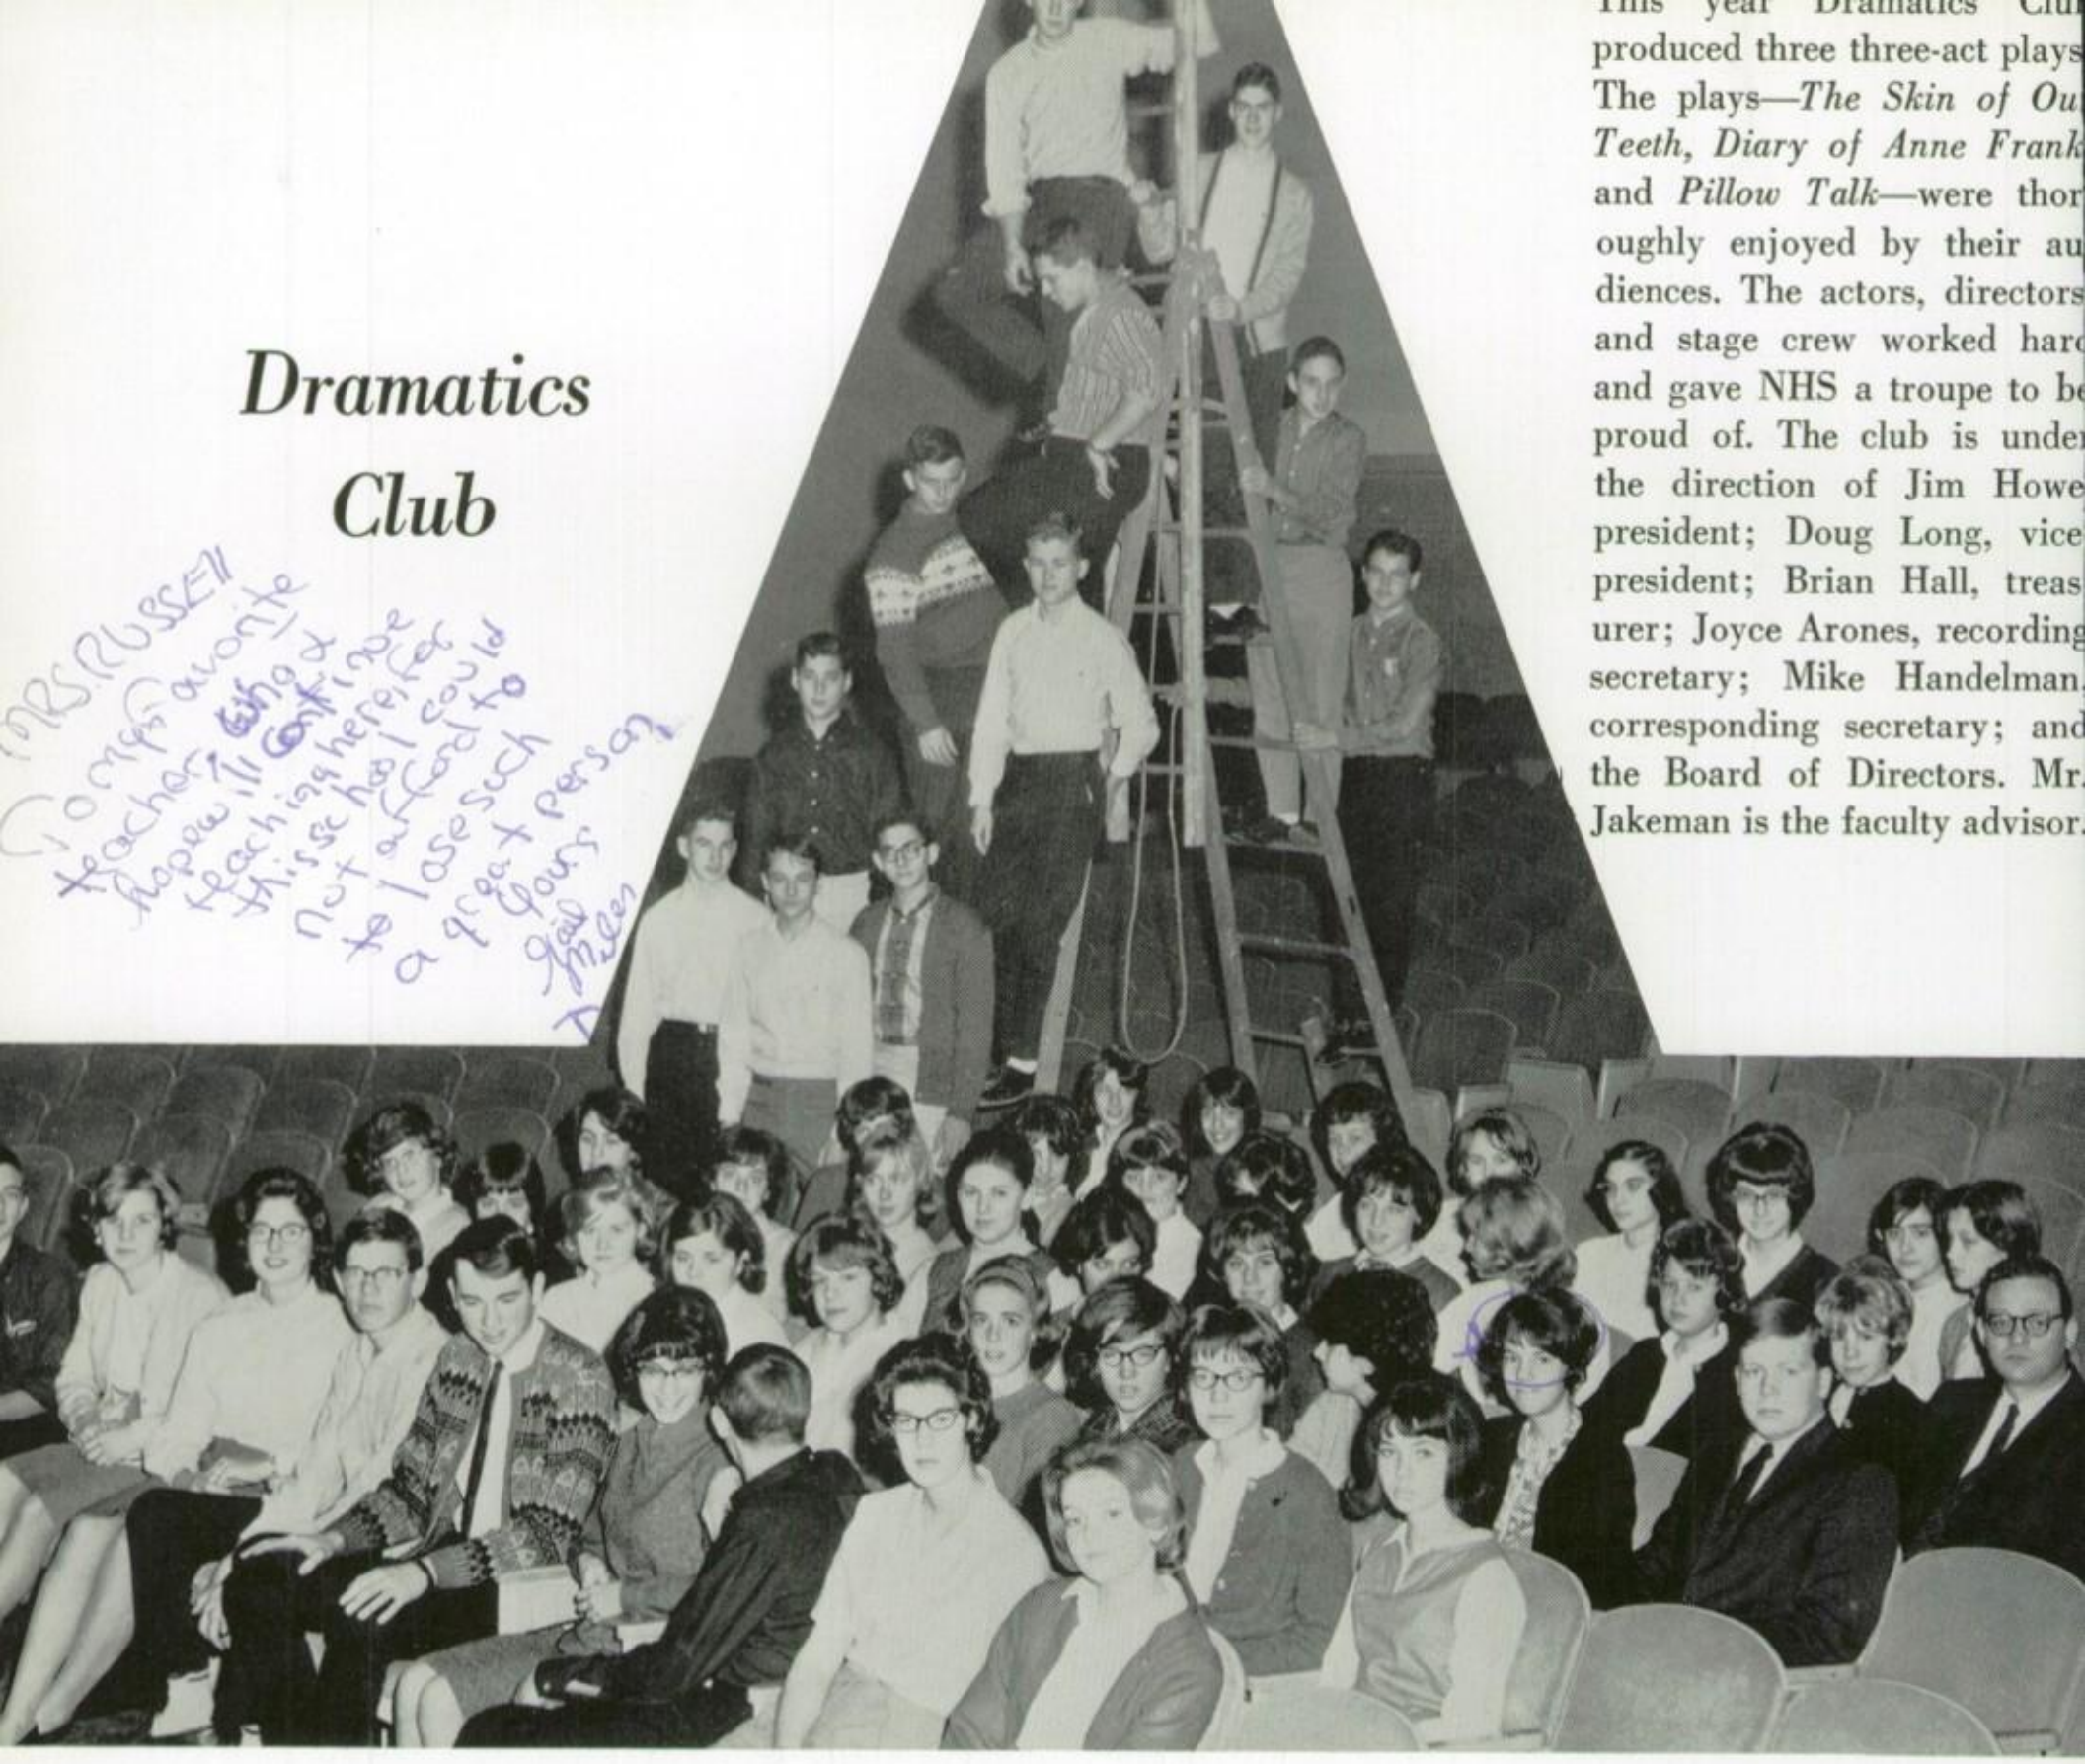
Debating Society is a group interested in public speaking, current events and impromptu vocalizing. The debaters enjoy themselves while competing in intraclub and interscholastic debating matches and tournaments.

Creative Writing Club

Creative Writing Club encourages interest in literature and composition. Members of the club learn to express themselves in various forms of writing by sharing and comparing each other's work. Each year Creative Writing Club edits and publishes *Les Pensées,* a literary magazine containing contributions from students of all four grades. Officers for '63-'64: Ellen Titus, editor-in-chief; Virginia Branch, secretary; Dave Fullam, art editor. Advisors are Miss Houghton and Mr. Shipp.

Dramatics Club

This year Dramatics Club produced three three-act plays. The plays—*The Skin of Our Teeth, Diary of Anne Frank* and *Pillow Talk*—were thoroughly enjoyed by their audiences. The actors, directors and stage crew worked hard and gave NHS a troupe to be proud of. The club is under the direction of Jim Howe; president; Doug Long, vice president; Brian Hall, treasurer; Joyce Arones, recording secretary; Mike Handelman, corresponding secretary; and the Board of Directors. Mr. Jakeman is the faculty advisor.



"The Skin Of Our Teeth"

In a typical town in the U.S., through an "average" family, Thornton Wilder presents a history of mankind. We are presented with a story of man's slow but forward progress to his state today.

144 Mrs. Antrobus tells of her husband's quick changes of temper.

Sabina gets love-lorn advice from the gypsy.

Sabina calls for more wood to heat the house.

"Diary Of Anne Frank"

Under student directors Joyce Arones and Claudia Cassidy the Dramatics Club presented the *Diary of Anne Frank*, the story of a young Jewish girl and her family and friends during the Second World War. The play takes place in an upstairs apartment in Holland. You are led through their two years of hiding and relive with them their joys, troubles, and fears.

Mr. Kraler tells the family of a suspected blackmail try.

Mrs. Russel,

The best of wishes from one dog lover to another, and to one of the very best teachers I have ever had. Your humor and wonderful teaching has really made English a pleasure this year; and this is the first year I've thought this way. Have a nice summer, and have fun at Carmel.

AN OPEN ROAD...
OR
A DEAD END STREET?

When commencement is over, where do you go from there?

Not too many years ago, a high school education was sufficient for most jobs; college was almost a luxury except for those who planned careers in such fields as medicine and law.

Today, the pattern is entirely different. Advances in technology affect everyone in every business . . . and, frankly, a high school education is seldom enough to equip you to meet the challenge of the present . . . to help you get a job with a future.

What's the answer? More education . . . four-year colleges, junior colleges, community colleges, technical schools, extension courses, anything at all which will increase your knowledge, develop your personal skills.

There are jobs waiting . . . but these jobs call for knowledge and skill. General Electric is just one of the many companies which will have job openings in the years to come for those who can meet job requirements. There are new products, new technologies on today's drawing boards . . . with still others yet to be thought of . . . which will call for people with education, training and ability. The future needs not only men and women to come up with ideas, but also people to put those ideas into practice . . . designers and developers, scientists and salesmen, technicians and teachers . . . people with sufficient education to fill jobs.

Now it's up to you. You may choose the broad highway open to you through more education . . . or wander down the dead end street of lost opportunities. If you keep learning, you'll keep growing . . . growing with our nation in the age of space.

God bless you and your family and may he be with you always. Thank you for all you have done for me.
